

Driver Health Policy

The Toll Group recognizes the importance of driver health in the prevention of accidents, injuries and fatigue on the road. As our organization is committed to quality, safety and productivity, we shall endeavour to support and maintain driver health by doing the following:

- Provide and maintain vehicles which meet or exceed industry standards;
- Coordinate a driver health screening and counselling program;
- Provide appropriate training, instruction and supervision, dissemination of information and necessary resources to support driver health.
- Establish and maintain initiatives in:
 - Driver health
 - Health promotion
 - Driver support

Healthy driving is a way of life in the transport industry and we shall reinforce this to our greatest asset, our employees.
