

## Drugs & Alcohol Policy

Toll is committed to providing a safe and healthy working environment.

This policy applies to all employees, contractors employed by Toll, contractors in charge of Toll equipment, and any visitors to Company sites.

The Company will assist and support if appropriate its businesses establishing and implementing their own Drugs and Alcohol program by means of advice and training.

The key points of this policy are that:

- The possession, soliciting, selling, distribution or consumption of illicit or non-prescribed drugs is prohibited;
- Employees must not be under the influence of illicit, prescribed, or non-prescribed drugs or alcohol to a level where it could risk injury, to any person including the user, or contradicts any statutory requirement. Whilst this applies to any activity, it particularly applies where employees are required to operate vehicles or equipment, or work within the proximity of operating vehicles or machinery;
- The consumption of alcohol is prohibited in vehicles or within any company operational area;
- When Company hosted social and business functions are held the consumption of non-alcoholic and low alcohol beverages will be encouraged.

The company will:

- At the request of any employee provide reasonable assistance including a structured rehabilitation program without any fear of reprisal to the individual;
- Provide appropriate awareness and or training programs to employees on the effects of drugs & alcohol;
- Encourage, in consultation with employees and others, at nominated workplaces, random drug and alcohol testing. The company reserves the right to conduct drug and alcohol testing of those involved in a workplace incident or accident;
- Reserve the right to discipline any employee whom breaches this policy or any statutory requirements.

Operational Directors, Executives and General Managers of all Toll Business Units and Divisions are responsible for ensuring adherence to this policy.
